FINANCE DEPARTMENT PURCHASING

NOTICE OF INTENT TO AWARD

DATE: September 7, 2011

COMMODITY: Sewer Line Root Foaming Service

IN RESPONSE TO: Request for Proposal (RFP) No. 8-2 of August 2, 2011

SELECTED CONTRACTOR: DUKE'S ROOT CONTROL, INC.

Following the review of all submitted proposals to the aforementioned RFP, this project and resultant contract shall be awarded to DUKE'S ROOT CONTROL, INC. for the provision of sewer line root foaming services.

This procurement was based on an RFP process and as such, factors extraneous to pricing were also considered in the contractor selection process. Selection criteria is listed as follows, and is not listed in order of importance:

- Qualifications and experience of firm in the industry;
- References from agencies and companies that the firm has provided similar systems to;
- Proposed project cost relative to the services proposed;
- Proposed work plan and methodology;
- Responsiveness of firm's proposal.

I would like to thank all the proposers for submitting responses to this RFP. Proposers to this RFP will be contacted in the future if/when a need for similar services arises.
